

Today, I AM a Blessing

Today, I choose alignment with Source.

Today, I remember Who I AM and act accordingly.

Today, I radiate Love unconditionally.

Today, I increase the Love in my world.

Today, I assist humanity by experiencing and expressing Joy!

Today, I AM an instrument of Love, Joy, Harmony, and Peace.

Today, I express mySelf clearly, powerfully, effectively and lovingly.

Today, I share my Divine Genius.

Today, I AM richly rewarded for all that I share.

Today, I allow Source to abundantly bless me in all ways.

Today, I AM a blessing and I AM blessed beyond all measure.
